Exhibitors Testimonials

Runaya

"This has been our first experience of attending and exhibiting at the Cable & Wire Fair. It has been an exciting opportunity for us. The team of organizers has done a phenomenal job in terms of attracting good speakers for the conference as well as the companies which have participated here. We have been able to meet a lot of our key customers in one place which we hadn't been able to do before, because of COVID. Also, with regard to finding newer suppliers, and newer customers who have approached us at the event, this has been a really nice and engaging experience." – **Mr. Naivedya Agarwal, Co-Founder & CEO, Runaya Group**

Parovi Machines

"It is high time for the wire and cable industry to adapt to the innovations in the way they operate and do business. As always, the experience at Cable & Wire Fair 2022 has been exceptionally good. We received an amazing response and reviews. The show was organized pretty well and the visitors and buyers were sincere." – **Mr. Vineet Sachdeva, Partner, Parovi Machines**

Rajnandini Metal Ltd.

"Our experience at the Cable & Wire Fair was extremely good. The footfall at our stand was quite outstanding and very appreciable. Basically, we were able to get a new kind of an experience as it was our first time participating at the exhibition. In fact, this has proven to be a motivation for the company to be a part in the future edition of the show as well." – **Ms. Yukti Bhatia, Sales & Marketing Coordinator, Rajnandini Metal Limited**

Waldies Compound

"The exhibition has been so good that all the visitors and participating companies at the Cable & Wire Fair 2022 are significant industry players and business professionals. While we participated for the first time, it has proven to be a very good exhibition as far as our experience is concerned. We got the opportunity to meet and network with our existing clientele and different people in the industry. It is a very good platform to create awareness of the product developments as well as the different companies in the wire and cable industry." – **Mr. Ashwani Kumar Soni, Assistant General Manager (Marketing), Waldies Compound Limited**

Maiden Forgings

"The Cable & Wire Fair is a good event for the industry, wherein we participated for the second time. Our previous experience at the show was great which is why we came to this edition of the exhibition as well. Overall, the response was good. Since it is organized in Delhi, it gives a great platform to meet and interact with the existing and potential buyers, vendors, and leading industry names, at a single platform. We look forward to getting good business opportunities. Our company will mark its presence in the next edition of the fair." – **Mr. Nishant Garg, CEO, Maiden Forgings (P) Ltd.**

Conoptica

"I think that Tulip 3P Media has done a great job and we have received great service from the organizers. I am happy with everything. All in all, it was a great experience. The turnout of visitors has been exceptionally great. We are very happy to have participated at the exhibition." – **Mr. Kjell E. Johnsen, Head of Wire & Cable division, Conoptica**

Abrol Engineering Company

"The Cable & Wire Fair exhibition has been a great platform for our company. In this three day event, we could network with a great number of our existing and prospective clients. We hope that we will be fully occupied with new business opportunities because of this exhibition. We look forward to participating at the next edition of the exhibition as well." – **Mr. Mohan Narasimhan, Operations Manager, Abrol Engineering Company (P) Ltd.**

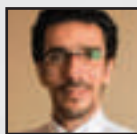

Vividh Wires

"As ever, the Cable & Wire Fair has been a great event for us. After such a long time, this has proven to be an event which has brought the whole industry together. It has been wonderful to be here and it has been a good experience to meet our customers, and acquaintances after a long time. We definitely look forward to participating at the next edition of the exhibition as well." – **Mr. Ashwani Gupta, Director, Vividh Wires Limited**

Innotech Machines

"Right from the initial editions itself, Cable & Wire Fair has been a great platform for the wire and cable industry. We hope and wish that the coming editions of the exhibition prove to be even more successful. The footfall at the show was really great and there were quality visitors. We are really satisfied with our participation at the exhibition." – **Mr. Amit Goel, CEO, Innotech Machines**

Kaustik-Europe

"We, were so honored and delighted by our participation in the successful exhibition – Cable & Wire Fair 2022. As for the organization, we were met by care and fast response whenever we needed. As for the event itself, it resulted in many successful contacts and inquiries that are being materialized and actualized. It was a great opportunity to build contacts and for networking with many participants and visitors from India and from all over the world. The exhibition also offered a great opportunity to meet the major and key players in the field of wire and cable industry." – **Mr. Hady Hamouda, Product Manager, Kaustik-Europe**

Corsis Technologies

"It has been a great experience to mark our presence at the Cable & Wire Fair show. We got the opportunity to interact with a large number of our existing customers as well as the suppliers." – **Ms. Shikha Khandelwal, Business Head, Corsis Technologies**

Assomac Machines

"I would really like to express my gratitude to Tulip 3P Media for a great exhibition this year. The experience has been even better than our expectations. We had a very good first two days and equally good third day as well. Our stand has good focussed footfall. We wish the team of Tulip 3P Media the very best for the next edition of the exhibition as well." – **Mr. Ashish Tyagi, Director, Assomac Machines Ltd.**

Kenttree Enterprises

"It is the third time that we participated at the Cable & Wire Fair. Over the years, we have expanded the scale of our participation with each passing edition of the exhibition. The show has been amazing. Even in our previous participation, we had received a phenomenal response, and this year has been even better. There were numerous people from the wire industry and the cable industry who visited us." – **Mr. Ronak Shah, Director, Kenttree Enterprises Pvt. Ltd**

Navank Consultants

"I think the Cable & Wire Fair is a fantastic platform for companies like us who envision growing in the fibre optics, data cables, and power cables industry. The response we received has been phenomenal. We are really happy with the way the show has come around, set up, and organized by the team of Tulip 3P Media. We are looking forward to participating at the next edition of this exhibition, and we hope that the show is even bigger, better, and stronger than this year." – **Mr. Naval Singhal, Director, Navank Consultants**

Aquent Advance Material Technologies

"It was a fantastic experience participating at the Cable & Wire Fair. Overall, we witnessed the great efforts by the organizers. The exhibiting companies were really good as well as the visitors of this show were quality visitors. We are looking forward to getting some good business from this exhibition." – **Mr. Vishal Mehta, Managing Director, Aquent Advance Material Technologies Pvt Ltd**

Laser Power & Infra

"In the Cable & Wire Fair exhibition, we definitely had a very good exposure in terms of the manufacturers who are offering their equipment, their different products to further enhance our manufacturing capabilities, and bring efficiency into our systems. It was a very good platform for us." – **Mr. Anish Kukreja, Asst. Vice President, Laser Power & Infra Pvt. Ltd.**

Techno Machines India

"We participated for the first time at the Cable & Wire Fair 2022. We interacted with a number of our existing clientele and could also meet our potential clients. The response we received was really good." – **Mr. Bhagat Singh, Manager, Techno Machines India**
